### VICTORY LOAN DRIVE QUOTA SET FOR 17 MILLION E-BOND

Mississippi's E-Bond quota for the Victory Loan Drive, which starts October 29, has been set at 17 million dollars by the Treasury Department, Rex I. Brown, State Chairman of the War Finance Committee, revealed today.

The quota for all other bonds is 17 million dollars, making the state's overall goal 34 million dollars, as compared to \$52,000,000 in the 7th War Loan.

The state's E-Bond quota, always the most important individual task, is a reduction of 12 million dollars in comparison with the 7th War Loan, when the E-Bond quota was 29 million dollars.

Mr. Brown said individual county quotas will be released as soon as they can be broken down "on a fair and just basis with all factors determining buying ability taken into consideration."

"Mississippi's task in this final drive is smaller in dollars and cents, but it is just as important insofar as being vital for military expenditures necessary to carrying out our obligations to the sick and wounded and getting the boys and girls back to their peacetime pursuits," Mr. Brown said.

"Certainly we must not be overconfident because of the reduced quota and certainly we must stay by the winding up of our war commitments until final adjustments have been made."

"We are confident Mississippians will accept their responsibilities as they have in the past, and that we will show our sincere appreciation for victory by making the final Victory Loan Drive the most successful yet. We have a wonderful record to uphold. We have never failed. Let's not let our record fall now."

S. J. A. Chatter

By Udell Favre, Senior at S. J. A. Tuesday, September 4, found an unusually large and gay crowd of girls gathered around the S. J. A. campus.

Each class is filled to capacity. The number of boarding students this year is the largest in some time, in fact many applications for boarders had to be refused because of a lack of dormitory accommodations.

Our new superior, Mother Blanche, a former teacher at Saint Joseph's in Baton Rouge, visited the class rooms on opening day and it is interesting to note the splendid impression she has formed on the students at her first appearance. In addition to her many duties as superior, Mother Blanche is teaching geometry and chemistry.

The senior class is one of the largest in the history of Saint Joseph and consists of the following members: Althea Campagne, Dorothy Cormier, Julie Elliott, Patricia Favre, Margie Goelzenleuchter, George Rose Kaepf, Rosemary Piazza, Gloria Saucier, Audrey Poolson, Irma Kenney, Ozalyn Vital, Thita Gardebled, Dolores Parker, Silta Hartman, Mary Lou Pravata, Lilly Mae Donlin, Carol Knost, Evelyn Murtagh, Sally Simmons and Udell Favre. Excitement reigned among the seniors when they were given their class rings Tuesday.

Mother Claire, our former superior, has retired, due to ill health, and is now stationed at Saint Joseph's Academy in New Orleans. Mother Claire taught here for many years and will be missed, not only by the students, but by the people of Bay St. Louis at large. Among the other changes made were Sister Mary Grace, who will head St. Joseph's parochial school in Baton Rouge and is succeeded by Sister Andree of New Orleans. Sister Joseph Edwards has gone to Fontbonne, Cincinnati and is replaced by Sister Josephine.

Other members of the faculty are Sister Louise Raphael, Sister Dorothy and Sister Albertine all high school teachers; seventh and eighth grade teacher, Sister Andree; Sixth, Sister Cornelius; fourth and fifth, Sister Frances Xavier; Second and third Sister Pauline and the first grade Sister Mary Lucille.

Miss Mary Jane Donlin a graduate of the class of 1945 has been visiting with her sister Lilly Mae, a boarder before entering the novitiate of the Order of Sisters of Saint Joseph on September 8. The student body of St. Joseph Academy wish her well and assures her of their continued love and interest. Two other young ladies Miss Lenore Kilek a former pupil of St. Joseph Academy, Cincinnati, Ohio and Miss Martha Weidemann, of Indiana also visited S. J. A. Thursday. They were also on their way to the novitiate of the Sisters of St. Joseph in New Orleans where they are to enter as postulants.

### HAS NARROW ESCAPE

FOREST A. TRAVIRCA, JR.

Forest A. Travirca, Jr., U. S. Coast Guard had a narrow escape Friday night when his ship was rammed by another ship off the Mobile channel.

In less than five minutes the ship sunk. All seamen were saved but one.

### Ladies of Christ Church Plan for Activities

Corporate Communion, Wednesday, Sept. 19 at 10 A. M.

At the regular monthly meeting held at the residence of Mrs. Sara Power with Mrs. Paula Jenks and Mrs. Don McCullough as co-hostesses, the ladies of Christ Church Guild decided to sponsor a weekly Bible Study class which will meet every Friday morning in the Parish House at 10 o'clock.

Friday, September 21 will be the opening date and Mrs. Warwick Aiken will be the leader. The class is open to all denominations and the guild hopes that the ladies of other groups will join the class.

By way of preparation for this important study the ladies of the church will meet in corporate communion on Wednesday morning, September 19 at 10 o'clock to present their semi-annual United Thanks Offering and ask God's guidance and blessing on all their undertakings.

On Saturday, October 20 the ladies will entertain at a reception in honor of Bishop Gray at the residence of Mrs. J. R. Rollins.

### W. L. Anderson Of Sellers Discharged

Corporal Wilfred L. Anderson, son of Mr. and Mrs. Olen Anderson of Sellers has been discharged from the United States Army, and arrived home on August 31st.

He entered the service on April 7th, 1941, and went overseas on March 4th, 1942.

He was a machine gunner attached to Battery B. of the 246th Field Artillery Battalion, and saw service at Guadalcanal, the Northern Solomons and Southern Philippines.

His brother Wallace L. "Buster" Anderson was reported killed when the carrier Lipscomb Bay went down.

### Truett M. Russell Dies

Truett M. Russell, son of Judge and Mrs. D. M. Russell of Gulfport died at the City-County Hospital on Wednesday at 6 p. m. as a result of burns which he sustained in an explosion on August 18 of the Standard Oil bulk station of which he was manager. The explosion occurred in an electric gasoline pump while Mr. Russell was filling some glass containers.

Mr. Russell sustained second degree burns about the face and body and he was taken to the hospital but never rallied. His condition has been known to be critical all through. Lieutenant Dan M. Russell, Jr., U. S. Navy was called home from Pearl Harbor on Saturday of last week and has remained at Gulfport at the bedside of his brother. The funeral was held this morning at 10 o'clock.

### Member of Mississippi Agricultural and Industrial Board Addresses Bay Rotary Club

The Bay St. Louis Rotary Club had as their guest speaker, at their luncheon on Wednesday, Mr. Lonnie Sweat, President of the Mississippi Power Company, and Past President of the Gulfport Rotary Club. Mr. Sweat is a member of the Mississippi Agricultural and Industrial Board and is Chairman of the Research Committee of this Board.

The Mississippi Agricultural and Industrial Board was first formed during the administration of Governor Hugh L. White, and during his administration the speaker cited that 21 new industries were brought into the State of Mississippi, all of which are today operating successfully. During the administration of Governor Johnson the balance agriculture with industry legislation was dropped and was reenacted at the 1944 session of the Legislature.

The present Board was appointed by Governor Bailey in July 1944 and Mr. Sweat said that they immediately set out to see what they were doing to encourage industry and to see what was wrong with Mississippi. In their research work the speaker stated that they found that Mississippi had the lowest per capita income of any State. They concluded that in order to have a balanced economy it was necessary to encourage more industries to come to Mississippi, and with this thought in mind definite plans were made.

The records showed Mr. Sweat stated, that the major portion of the income in Mississippi were farm incomes, which amounted to \$290,000,000 in 1944, of which amount \$30,000,000.00 were Government subsidies.

The speaker called the attention of his listeners to the fact that the tourist business throughout the country reached at the present time approximately 6 billion dollars per year, and that Mississippi received about \$122,000,000.00 of this amount. He voiced the opinion that this business would probably double and that the Mississippi Gulf Coast should set out to get its share.

Mr. Sweat went into details as to how counties and municipalities could proceed under the Balance Agriculture with Industry bill, and that the Board would lend every assistance possible. That they could not make the survey, but that they would advise and counsel with the local people or a committee as and when a decision was reached. That there was one way of doing the job and that was to decide what we wanted and then go after it.

He gave an illustration of what an industry employing 500 people in our city or county would mean, and how the income these people earned would be distributed. The total income would amount to approximately \$1,300,000.00 per year, and would be spent as follows: 38% for food; 6% for fuel, lights, etc., 13% for clothes, 19% for shelter, and 24% for miscellaneous.

Guests at the luncheon in addition to Mr. Sweat were Mr. J. T. Dearing, Sr. of Pine Bluff, Ark., Dr. T. B. Sellers, Commander Thos. J. Ryan, Messrs. Leo W. Seal, Ed. P. Ortle, W. J. Gex, Jr., Arthur Scaife, Octave Delph, R. L. Genin, Laurent Dickson, Leo G. Ford and A. G. Favre.

### Reception September 11 Honoring Faculty

All patrons of the Bay St. Louis City Schools are invited through this medium to attend the reception on September 11 honoring the faculty. The reception is to be given by the Central School P. T. A.

It is hoped that the parents will be present and have this opportunity to meet the new teachers and to become better acquainted with the teachers who are not new on the faculty.

The reception will be given at the home of Mrs. C. C. McDonald on Tuesday, September 11 at 8 p. m.

### S. J. A. Parents Club

With the opening of the 1945-46 school session, the St. Joseph's Parents Club will resume its activities. The first meeting will be held on Tuesday, September 11th, in the Den, at 3:30 p. m. with the new officers assuming their responsibilities.

The officers are: Mrs. E. J. Arceneaux, president; Mrs. Leo Ford, vice president; Mrs. L. J. Ryan, Secretary; Mrs. Ben Hille, treasurer.

### Bay St. Louis City Schools Opened Friday, Aug. 31st.

The Bay St. Louis City Schools formally opened Friday, August 31 at 9 a. m. with a short program at assembly with S. J. Ingram, presiding.

Following the singing of America Mr. Ingram introduced the new members of the faculty and stated what work they would have. Those introduced were: Mrs. Norton Haas, Junior High; Marvin Magee, principal High School and Coach; Miss Gene Donald, librarian; Miss Dorothy Skellie, Home Economics; Miss Evelyn Caluda Junior High and girls' athletic director; Miss Mary Beth Stoner, Spanish and English; Miss Mary McDonald Kittrell, High School Science.

Mr. Ingram said briefly that for the past four years the school had operated but a feeling of unrest had prevailed throughout but they were opening this year with a feeling of security and were able to plan ahead for the year's work. He announced that the cafeteria would be in charge, of Mrs. John Collier and that a hot plate lunch would be served but no sandwiches. Ice cream and cold drinks will be served at the recess period but not at the noon hour.

### No Casualties Reported Over Weekend

From all reports there were no deaths or serious injuries to Hancock Countians over the long Labor Day Holidays. There were several automobile smashups but no one was hurt in any of them. There was one near drowning when a swimmer took the cramps, but he was rescued without serious injury resulting.

### Stanislaus Day School Opens

St. Stanislaus Day School for boys opened on Tuesday, September 4, with an enrollment of about 78 pupils. Brother Florent will continue as principal. He will be assisted by Brother Conan.

### Mail Boxes Being Destroyed

Postmaster Leo G. Ford, reports that several mail boxes on the rural mail route, and on the local delivery route have been torn down. This matter has been reported to the postal authorities and a complete investigation will be had. A reward of \$200.00 is offered by the Government for the arrest and conviction of any person who destroys property of this type. It may be well for certain individuals to take heed, and make sure that there is not a recurrence of this willful destruction, for if they are not careful they will probably have to face the Federal Judge.

### Home From Overseas

Sgt. Leroy Bontemps arrived home Sunday, after spending sixteen months overseas in Italy. He was with the 2081st Engineer Aviation Utilities Detachment, maintaining an air field eight miles outside of Naples.

### Men 18 Years of Age Still Required to Register

Jackson, Miss.—Men becoming 18 years of age are still required to register with their local boards, Colonel L. W. Yong, state selective service director, pointed out today. Since the termination of hostilities with the Japanese persons in some sections of the state apparently have been confused regarding the status of men turning 18, he said. Selective service regulations for men 18 thru 25 remain in full force at this time. No instructions have been received by selective service in Mississippi with regard to modifying the position of registrants in this age group and it is not anticipated that any changes will be forthcoming until Congress meets and determines future action on drafting of manpower.

Men in the 18-year-old age bracket became subject to registration and induction on June 30, 1942.

Colonel Long also reiterated his announcement that the "job-jumping" provisions of selective service regulations continue to apply to men in the 18 through 25 group.

### N. C. C. W. Meeting

Regular monthly meeting of the Bay St. Louis District of National Council of Catholic Women will be held in Gulfport, Miss., on Wednesday, September 12th at 3:30 p. m.

As the election of officers for the ensuing year will be held, all members are urged to be present.

### GARDEN CLUB TO MEET

The Bay-Waveland Garden Club will meet on Thursday, September 13 at the home of Mrs. John Gayle Aiken.

### ST. AUGUSTINE SEMINARY TO OBSERVE 25TH ANNIVERSARY OCTOBER 16

#### Catholic Dignitaries To Participate in Ceremony

Plans for the local observance of the Silver Jubilee of the establishment of St. Augustine's Seminary, to be held October 16 are nearing completion.

The Silver Jubilee day will be opened with a Solemn Pontifical High Mass, to be offered by Bishop Gerow at which Archbishop Joseph Francis Rummel of New Orleans will preside, on Tuesday, October 16.

The sermon will be delivered by the Most Reverend William O'Brien, Auxiliary Bishop of Chicago.

In preparation for the occasion an outdoor sanctuary is to be erected. Accommodations, and ample space will be made for the large crowd to witness the Jubilee celebration.

Invitations to attend the Silver Jubilee have been issued to all the Archbishops and Bishops of the country. At the same time notifications and invitations are being sent to the clergy of the vicinity. Besides many Religious Orders of Sisters likewise have been invited. All the friends and benefactors are to be informed that they may participate in the ceremony. It is expected that a large gathering of ecclesiastical and civil representatives will be present.

A few of the speakers for the occasion will be the Most Reverend Jules B. Jeannard of Lafayette, La., the Most Reverend Richard O. Gerow of Natchez, Miss., Mr. Clauser, Supreme Knight of St. Peter Claver will likewise address the gathering in the afternoon.

The students' mixed choir will sing for the Pontifical High Mass, while a Glee Club in the afternoon will render Negro Spirituals. St. Stanislaus Band will play a number of selections before and after the Mass.

Founded 70 years ago as an international organization for world wide missions, the Society of the Divine Word before the war numbered 2000 priests and 200 brothers. They were active in almost every country of Europe several sections of North and South America and in China, India, Japan, Philippine Islands, East Indies, Africa, New Guinea and Australia.

The Divine Word missionaries have suffered staggering blows from the war both in Europe and the Pacific. In one mission field alone, New Guinea, out of 230 priests, brothers and sisters, only one half are known to be alive. It will take many years to rebuild what has been destroyed in so short a time.

Since the establishment of St. Augustine's Seminary 19 priests have been ordained and sent out to the mission fields, parishes of the South and North. Besides that two are working in Accra, Africa.

The public is cordially invited to attend the Silver Jubilee. A warm welcome is assured all visitors.

### Woman's Missionary Society

The regular monthly meeting was called to order Wednesday afternoon at 3:30. The meeting was held in the church with Mrs. T. B. Sellers presiding.

All reports were dispensed with in order that time be given for Mrs. Earl Ramond to review the book entitled "What Is In Thy Hand."

This review was in preparation for our Foreign Mission week of Prayer, which begins Sept. 10.

All present enjoyed the review and feel that it was an hour well spent.

An invitation is extended to all those interested in Foreign Mission work to meet on Monday, September 10th at 3:30 p. m. at the First Baptist Church.

### 73 In Bay St. Louis Await Telephones

The 73 people in Bay St. Louis who have been unable to obtain telephone service, and are wondering how the war's end affected the availability of telephones, had information on the subject today from A. M. Fishburn manager, Southern Bell Telephone and Telegraph Co.

First goal of reconversion in the telephone business, Mr. Fishburn said, is to manufacture and install equipment to put in telephones for all who desire them. He added that just as soon as the company's manufacture can furnish more information concerning production of equipment, the company could tell those who are waiting how long it will be.

At war's end, according to Mr. Fishburn, two million people in the nation, including more than 11,000 in Mississippi, were waiting for business or residential telephones.

The manager concluded that the company has an up-to-date record of each applicant and as equipment becomes available each one will be served in his proper turn.

## WISHFUL THINKING MAY BECOME A REALITY

FOR years we have heard it said that Bay St. Louis and Hancock County should encourage some industry to locate here. This thought we believe has been uppermost in the minds of many people; but nothing has been done about it. We need an industry of some type. We need a payroll or payrolls sufficient to absorb the labor that will soon be available. What has been done about it? Not a single solitary thing, and nothing will be done if all we do is wishful thinking.

The business men of Bay St. Louis and Hancock County realize that it is necessary to secure more payrolls for our City and County. They readily see the benefits that will be derived by the other business interests throughout the County as and when we can have continued, stable employment in our community and surrounding territory.

It is only necessary that a little urging be given, and some opportunities be pointed out, to a people who do not lack foresight, to have them striving to accomplish what is necessary to be done in order to bring a plant to Hancock County and this was done by Mr. Lonnie Sweatt, President of the Mississippi Power Company, and member of the Mississippi Agricultural and Industrial Board at the Rotary Meeting on Wednesday. We believe that he struck the right note. His listeners were enthusiastic and showed individual public spiritedness.

However individual spirit will not accomplish anything. It will take a cooperative public spirit, molded together and perfectly coordinated to bring about a change in the industrial position of Hancock County. The individual thought of our successful business man may be the one thing that we are looking for. But he may be keeping that thought to himself. He does not have an opportunity to express it. He may make a statement to a few of his close friends but it dies at that spot. He does not have an organization through which he may speak. He does not have an organization where he may join together with other business men of his community to exchange those thoughts and if they are concrete to put them into execution, under capable leadership.

Practically every community in the State of Mississippi, and many of them with a much smaller population than the City of Bay St. Louis, have a very active Chamber of Commerce. It is through this medium that the cities and towns throughout the State speak. The business men of Bay St. Louis and of Hancock County have sadly neglected the one thing that could probably lend them much assistance in their efforts to help Bay St. Louis and Hancock County, their Chamber of Commerce. Through this medium we could have coordinated efforts, under capable leadership, that could bring about a change in the industrial position of Hancock County. We owe it to our people and to our County to strive to bring about this change.

It appears that the first step necessary is to bring about a reorganization of our Chamber of Commerce making it County Wide and in order to do this it is necessary that the services of every business man in Hancock County be enlisted. When this has been done and a definite program has been outlined we will be headed in the right direction.

With the assistance of the Mississippi Agricultural and Industrial Board and with a live Civic Organization to take the lead our wishful thinking may become a reality.

## WHY PEOPLE LEAVE RURAL AREAS

SENATOR George L. Radcliffe, of Maryland, is disturbed over the war-speeded tendency of the nation's population to leave the rural areas for city life. He thinks there is a "very great need for people to go back to rural areas."

The drift from the farm has concerned many people for many years but it continues unabated and there is little chance of stopping the trend until the economic rewards that come to farmers make agriculture more attractive.

The country has become a very attractive place of residence since modern inventions and developments have made it possible to enjoy electricity, telephones, radios and other conveniences on the farm. Not least of the contributions to better living in rural areas have been the automobile and good highways.

The only catch in the scheme of living for farmers is that it takes cash to secure electricity, telephones, radios, automobiles, and other conveniences. While a large number of agriculturalists have all of the items mentioned there are many others who lack the wherewithal to purchase them.

This brings us back to the basic complaint of farmers, that their incomes do not equal those of other industries. This does not mean that every farmer should have the same pay as every mechanic but it does mean that farming, as an occupation, should present the same opportunity for money making that exists in other lines of human endeavor.

The income of agriculture has been well below that of other economic activities. Constituting one-fourth of the population the residents of rural areas have not enjoyed anything like one-fourth of the national income. Despite the increase in farm income during the war years there has been little progress on the equalization of prospective and comparative farm incomes.

Peace may be wonderful but it does not automatically renew everything destroyed by warfare.

Judging from news reports the Japanese are not as devoted to harikari as we have always heard.

We have never been able to understand why those who need no vacation always manage to get one.

Even if we never expect another war the nation might as well keep its defense forces ready for possibilities.

When commodity goods are plentiful, there will be many people without the funds to take advantage of the opportunity to buy what they have been waiting to buy for years.

Various book publishers are now racing to produce the first complete history of World War two; our advice, if you want it or a history is to wait a while.

Despite the gloomy prophecies it appears that the United States, Great Britain and Russia are able to get along in friendly fashion and settle their differences intelligently.

Conflicting claims as to what won the war remind us that everything contributed to the great victory. Let's let it go at that.

## WAVELAND COAST GUARDSMAN ABOARD CUTTER IN PHILIPPINE WATERS

Coast Guardsman John E. ### Home On Leave

Seaman 1c John G. Allen, U. S. Navy, is at home on a fifteen-day leave from overseas duty.

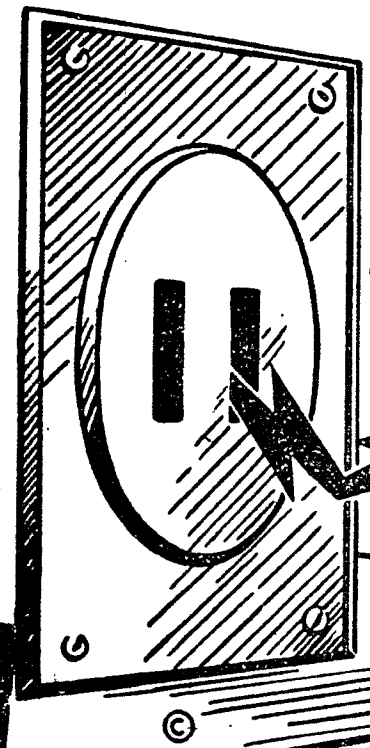

Though his birthday was in May his mother and step father Mr. and Mrs. George Fletcher entertained at his delayed birthday party at their home 412 Main Street. Games and dancing were the features of entertainment and there was a large birthday cake which was served, with other refreshments.

Those attending the dance besides the sailor home from overseas were Misses Louise Crutchfield, Jackie Jacobi, Louise Bellande, Eva Allen, Margaret Allen, Ruth Kirst, Mrs. Norma Rhea Wilkinson, and Milton Favre and John Ryan.

### Health of Local People Reported Good

From reports turned in by physicians practicing in Hancock County, the health of the people can be considered as excellent. There were three cases of malaria reported for August, and although not alarming the incidence is rather high. One more case of Typhus fever turned up, and this fairly new disease caused by fleas that have bitten infected rats is gradually making its inroads on the local population. At present, the only known way to prevent typhus is to control rats.

# MISSISSIPPI ADVERTISING TO ATTRACT NEW INDUSTRY

## AGRICULTURAL AND INDUSTRIAL BOARD INSERTS "SELLING COPY" IN GROUP OF NATIONAL PUBLICATIONS

Since June of this year, Mississippi has been in the Nation's eye, through a series of advertisements inserted each month by the Mississippi Agricultural and Industrial Board in a group of publications with national circulation.

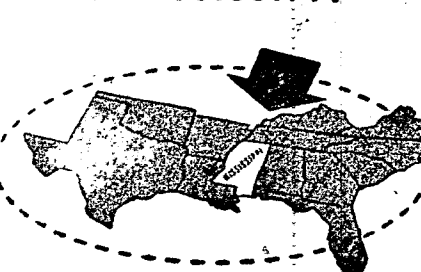

The schedule month by month follows: June, 1945, New York Times, Chicago Journal of Commerce and Manufacturers' Record; July, Wall Street Journal and Chicago Journal of Commerce; August, New York Times, Manufacturers' Record and Nation's Business; September, Wall Street Journal, Chicago Journal of Commerce and Manufacturers' Record; October, New York Times, Chicago Journal of Commerce, and Nation's Business; November, Wall Street Journal, Chicago Journal of Commerce, and Manufacturers' Record; December, New York Times, Chicago Journal of Commerce, and Manufacturers' Record; January, 1946, Wall Street Journal, Chicago Journal of Commerce, and Manufacturers' Record.

This group of publications has an audience of manufacturers and industrialists that the Mississippi Agricultural and Industrial Board wants to reach. Through this eight-month advertising program these manufacturers will be informed of the attitude, opportunities and resources of Mississippi as the state in which their new industrial plants should be located.

The State advertisements in the above publications will add up to over four and a half million impressions of the State's "selling copy" for the entire campaign.

In preparing the copy for these advertisements, the Agricultural and Industrial Board tried to im-

will be located in the center of the Great South Market

which can make the big difference in post-war competition

The Growing Southern Market is an ever increasing factor in American manufacturing and selling. In this 13-state area live over 33 million people. Retail sales in 1944 were in excess of \$13 billion dollars. Build your new plant in Mississippi. Enjoy the advantages of being in the geographical center of the Great South Market.

Investigate Mississippi, where local people have faith enough in their own communities to invest their money in manufacturing plants for private industries. Your inquiry will be held in strict confidence.

before the nation, while industry is seriously considering postwar plants and expansions; not after final decisions have been made. The Board therefore approved the schedule as above shown and while the State could have more than justified spending many times the total money involved, the results from this modest program have been encouraging.

"Proofs of the State advertisements are mailed each month to state, county and city officials; to chambers of commerce; and to those interested citizens who request them.

"Many of the newspapers of Mississippi also carry reprints of the State advertisements each month as a matter of public interest to their readers. In this way their readers can see what their State is doing to secure additional industries and thereby provide more jobs and payrolls for Mississippi communities after the war."

### MISSISSIPPI Leads the South

WITH AN INCREASE OF 20% IN TOTAL FARM CASH INCOME (1944 change over 1943)

Annually replaceable raw materials make Mississippi Industry's No. 1 State of Opportunity

Mississippi has taken the lead in getting agricultural production to meet the needs of industrial processing. Cotton, corn, soy beans, tung nut, rice, vegetables, peanuts, flax, linseed, drying and more produce are among the many products the State is increasing value into factory goods.

## ORTIE THEATER SUNDAY - MONDAY "THAT'S THE SPIRIT"

Jack Oakie, Peggy Ryan, With An All-Star Cast

A humorous journey into heaven provides a bright, fantastic twist to Universal's "That's The Spirit," a superlatively entertaining musical drama which comes Sunday and Monday to the Ortie Theatre. Jack Oakie and Peggy Ryan, the gay father and daughter of the recent "Merry Monarchs" bear a similar relationship in this new picture.

The two screen favorites are co-starred at the head of an unusually competent cast. June Vincent, Arthur Treacher, Gene Lockhart and Johnny Coy have headline roles. Other impressive names include Andy Devine and Buster Keaton.

Beginning in the '90's, the ingenious story follows most of its characters through a score of years. Oakie is seen as a vaudeville magician. Miss Vincent has the role of a sheltered young lady who marries the performer against her father's wishes. Lockhart appears as the pompous, humorless parent.

As the plot unfolds, the couple's happiness ends with the husband's sudden death under dubious circumstances involving another woman. After 18 years in heaven, the magician's spirit returns to explain the mysterious woman's identity. While on earth, the Spirit also straightens out the problems of his daughter who wants to become a dancer. Miss Ryan has the latter role, one of the most convinc-

ing in her lively career. Interesting highlights in the picture are Andy Devine's portrayal of the theatrical manager and Arthur Treacher's butler role in the stuffy Victorian home. Equally outstanding is Buster Keaton's appearance as chief of heaven's complaint department. Johnny Coy, a sensational young dancer is teamed romantically with Miss Ryan in some of the film's best sequences.

**Tuneful Score** "Music in 'That's The Spirit,' directed by H. J. Salter, includes 'The Bella With the Flute,' 'Oh, Oh, Oh,' 'Evening Star,' 'No Matter Where You Are,' 'Baby Won't You Please Come Home' and 'How Come You Do Me Like You Do?' A splendid vocal chorus presents the 'Oh, Oh, Oh' number and is heard with Oakie and Miss Ryan in their solo numbers.

The original screenplay of "That's The Spirit" was co-authored by Michael Ferrier and Ernest Pagano who jointly produced the picture. Charles Van Enger was the cameraman and Charles Lamont directed.

## "WHERE DO WE GO FROM HERE" AT A. & G. THEATRE SUNDAY AND MONDAY

Filmed in Technicolor  
Acclaimed the Miracle  
Musical of the Year

Local movie-goers are in for the screen treat of the year when "Where Do We Go From Here?" the musical like nothing on earth with a story that's out of this world, opens at the A. & G. Theatre Sunday. The picture, starring Fred MacMurray, Joan Leslie and June Haver, and photographed in dazzling technicolor, is being acclaimed as the lyrical miracle of the year. A refreshingly daring innovation in screen entertainment, the 20th Century-Fox hit is as big, as new, and as different as anything ever to come out of Hollywood.

The hilarious, melody-packed film tells of the gloriously zany adventures of Fred MacMurray on a cross-century girl hunt, chasing two 1945 cuties—joyous Joan Leslie and luscious June Haver—from a Bronx USO Canteen through Valley Forge to the discovery of Columbus in 1492, and then some.

It all starts when Fred, a frustrated and frantic 4-F, meets an honest-to-goodness but altogether erratic genie who promises with the aid of his magic lamp to get Fred into the Army and subsequently into the good graces of his Khaki, whacky girl friend. What happens when the magic gimmick goes berserk, gets its dates mixed and sends Fred jiving with George Washington at Valley Forge and in "dutch" with a New Amsterdam— to say nothing of a musical mutiny aboard Christopher Columbus' "Santa Maria" and dozens of other side-splitting episodes makes for a joyously fun-filled and song-sparkling picture.

Long a top favorite in film musicals, Fred MacMurray marks this, his first picture under a new long-term 20th Century-Fox contract with the best performance of his career. Lovely Joan Leslie, star of "Yankee Doodle Dandy" and "This Is The Army," is seen as the girl who was always in love with MacMurray while he was in love with flirtatious June Haver. "Where Do We Go From Here?" Miss Haver brings all the charm beauty, zest and buoyant singing-and-dancing talent responsible for her spectacular rise to stardom.

Featured in the outstanding cast are Gene Sheldon, Anthony Quinn, Carlos Ramirez, Alan Mowbray, Fortunio Bonanova, Herman Bing and Howard Freeman. Ira Gershwin and Kurt Weill, Broadway's celebrated song team, wrote the scintillating melodies. Morrie Ryskind, who with "Of Thee I Sing" won the only Pulitzer prize award ever given for a musical comedy, wrote the unusual screen play which Gregory Ratoff directed.

## Is There any difference in savings banks?

For more than a number of years mutual savings banks in the State of Mississippi have gone thru every cycle of prosperity and depression without ever yet being compelled to tell their depositors, "We are sorry we cannot return your deposits." There is more to a savings bank than safety. There is sound counsel supplied by courteous officers, there is advice to those who have problems pertaining to the building of homes, travel, education deaths, wills and a hundred and one other things that affect our daily lives.

"God has crowned our arms with victory and a stirring chapter in the history of our country comes to a close—a chapter in which at all times you have met war's all-out demands for telephone service with speed and skill and devotion.

"The determined manner in which telephone folks accepted and discharged their high responsibility—the 3,705 who served as members of the armed forces and those of you who stayed at your post—deserves the highest praise. You did your job well and you made other important contributions through your splendid record of War Bond purchases, our blood donations and other essential homefront activities. With an overwhelming sense of pride in the sort of folks you are I say, my sincere thanks to you all.

"With thankfulness in our hearts in the triumph of our Nation and its Allies, we look forward to the return of the men and women who left us to enter the Armed Forces. We shall bear forever in our hearts the memory of those who made the Supreme Sacrifice."

Gordon, formerly of Bay St. Louis, currently of New Orleans.

Mr. and Mrs. Gordon have two more sons in the Army, who are still somewhere in the Pacific. Their youngest daughter, Miss Carmel Gordon is a Cadet Nurse in training at the Mercy Hospital in New Orleans.

**BANK GETS CHARTER**  
The office of the Secretary of State, Walker Wood, has just disposed of a rather unusual case dealing with a bank charter. Recently the Bank of Yazoo City wrote the Secretary of State asking for a certified copy of its charter with all amendments. Upon investigation it was found that the bank had no charter on file in the state office. Going fully into the matter it was found that the Bank of Yazoo City had been operating since 1876 under a charter granted by the Legislature. At that time charters were authorized by an act of the Legislature and it seems that a copy of the law authorizing the establishment of the bank was filed with the proper persons backing the movement and the organization proceeded. So last week the charter was recorded of the Bank of Yazoo City sixty-nine years after the law was passed and the bank organized. In the meantime, several amendments had been granted to the charter.

The State Banking Department has granted certificates for two new banks in the state. They are the Alcorn County Bank at Corinth, with capital stock of \$50,000 and the Prentiss County Home Bank at Booneville, with capital stock of \$60,000. It is assumed that these new banks will open for business in the near future.
